IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

UNITED STATES OF AMERICA,)	Case No. 2:23-CR-228-DJC
Plaintiff,)	
vs.)	STIPULATION AND ORDER TO CONTINUE
)	JUDGMENT AND SENTENCING
EDGAR ENRIQUE GARCIA-LOPEZ,)	Date: May 29, 2025
)	Time: 9:00 a.m.
)	Judge: Hon. Daniel J. Calabretta
<u>Defendant.</u>)	

IT IS HEREBY STIPULATED and agreed by and between Acting United States Attorney Michele Beckwith, through Assistant United States Attorney Jason Hitt, counsel for Plaintiff, and Federal Defender Heather Williams, through Assistant Federal Defender Hootan Baigmoammadi, counsel for Defendant Edgar Enrique Garcia-Lopez, that the previously scheduled Judgment and Sentencing set for May 29, 2025 be continued to July 17, 2025 at 9:00 a.m.

The parties specifically stipulate as follows:

- On January 21, 2025, the Court continued Judgment and Sentencing at Mr. Garcia's request so that the government could extract data from his seized cellular phone (the phone was in the government's possession at the time, but no extraction had been completed) and allow him to review it for sentencing mitigation purposes. The government also agreed to produce ping data they

obtained pursuant to a search warrant. Mr. Garcia believes that the phone extraction and ping data may be relevant to formal PSR objections.

2. On March 4, 2025, the government informed Mr. Garcia that they completed the phone extraction but that the files were incomplete and only contained metadata. They contacted the case agent to obtain the complete files.
3. As of today, Mr. Garcia is awaiting production of the complete phone extraction and ping data. According to the United States, DEA completed a second phone extraction of Mr. Garcia's phone during the week of May 19, but that second extraction also resulted in errors from the extraction. According to the United States, DEA is performing a third extraction of Mr. Garcia's phone this week.
4. For the forgoing reasons, Mr. Garcia requires additional time to receive and review the phone extraction and ping data prior to timely filing formal PSR objections. Good cause and compelling circumstances exist to continue the Judgment and Sentencing.
5. The government does not object to Mr. Garcia's continuance request.
6. The parties jointly request that the Judgment and Sentencing Schedule be modified as follows.

Draft PSR	Completed
Informal Objections	Completed
Final PSR	Completed
Formal Objections	July 3, 2025
Response to Formal Objections/Sentencing Memorandum	July 10, 2025
Judgment and Sentencing	July 17, 2025
